RIVERJET SCENIC SAFARI

The Riverjet adventure will introduce you to a slice of New Zealand scenery only a select few have ever seen.

Tour through great pine forests and open farmlands that line the river bank along with some of New Zealand's most beautiful, unspoilt Native bush.

The sleek black boat takes you through the wondrous Tutukau Gorge where canyon walls rise dramatically 50 metres above the magnificent Waikato River.

Sit in the boat along side the Silica Terraces; the largest in the southern hemisphere.

Remarkable thermal activity can be seen from the safety of the Riverjet boats.

This is a 1¼ hour trip.
